ACTIVATING YOUR AUTHENTICATION SOLUTION

For optimal use of your online banking services, please follow the steps below.

Linking a new device to your LuxTrust certificate

Banque de Luxembourg offers two LuxTrust authentication methods:

- LuxTrust Mobile app
- LuxTrust Scan device.

If you already have a personal LuxTrust certificate, you will need to link it to at least one of these two methods in order to connect for the first time.

If you are not yet using LuxTrust Mobile and wish to link it to your certificate

You will need:

- The login details (*User ID and password*) you received by SMS/lette from LuxTrust
- The LuxTrust Token you are currently using to connect
- Your smartphone and LuxTrust Scan device.

- 1 Search for the LuxTrust Mobile app in your smartphone's app store.
- 2 Download and open the LuxTrust Mobile app and select 'LOGIN'.

- 3 Follow the procedure on your screen.

► *You have just linked LuxTrust Mobile to your LuxTrust certificate. The next step is to link your LuxTrust Scan device to your certificate, as shown below.*

If you are already using LuxTrust Mobile

If you are already using the LuxTrust Mobile app, we recommend linking your LuxTrust Scan device to your certificate as well. The device will protect the security of your certificate if you replace your smartphone.

- 1 Go to the LuxTrust website:
www.luxtrust.com
 - 2 Go to the 'My account' section under 'MY LUXTRUST', and under 'Manage my products' click on 'CONNECT TO MY LUXTRUST'.
 - 3 Select 'LuxTrust Mobile', enter your LuxTrust login details and accept the authentication prompt on your smartphone screen.
 - 4 In the 'MY DEVICES' section, go to 'LuxTrust Scan', press 'Add a device to your LuxTrust certificate' and follow the process on the screen.
- *When you have completed this step, you may connect to online banking using LuxTrust Scan, your smartphone/tablet or the LuxTrust Mobile app.*

If you do not wish to use the LuxTrust Mobile app

If you do not wish to use the LuxTrust Mobile app, please call LuxTrust Customer Service on (+352) 24 55 05 50 or contact the BL-Support team for assistance with linking your LuxTrust Scan device to your certificate.

Registering your LuxTrust certificate on the Banque de Luxembourg website

- 1 Go to **secure.banquedeluxembourg.com** (available from a computer only).
- 2 Select the LuxTrust device with which you wish to register your certificate:

- 3** Enter your LuxTrust login details and press 'Next'.
 - If you selected LuxTrust Mobile, accept the authentication prompt on your smartphone screen.
 - If you selected LuxTrust Scan, scan the QR Code, enter the OTP (one-time password) displayed on your device and press 'Authenticate'.

 - 4** Enter your BL Web User ID.
 - In the 'BL Web User' field, enter the BL Web User ID on the Webcard provided by your adviser.
- *Your LuxTrust certificate is now linked to Banque de Luxembourg's online banking solutions. Please note that it may take up to 24 business hours before you can access Banque de Luxembourg online banking services.*
